

2010 Horse Show Award Rules

Dear Exhibitor and Members:

This is a copy of the rules and regulations which govern our horse show high point awards. Please read.

READ CAREFULLY AND REMEMBER:

- In all classes, the Owner of the horse and the Exhibitor must be a member in good standing of PtHA and Southwest Pinto in order to qualify for year-end Awards. Points are not retroactive.
- Any class that does not average at least three entries for the year may not receive a year end Award unless there is an Award Sponsor for the class but will receive recognition.
- Ties will be broken by the number of First Place wins. After that, Second Place will be used and so on.
- Equitation points and showmanship points as earned by the exhibitor will remain with the Exhibitor/Member. Pleasure points transfer with the horse if new owner is a member of Southwest Pinto prior to showing.
